

4 August 2020

ROLLSPACK & VICTORIAN STAGE 4 RESTRICTIONS

To our valued customers and suppliers,

RollsPack will continue to operate during the stage 4 restrictions announced by the Victorian Government on 3 August 2020.

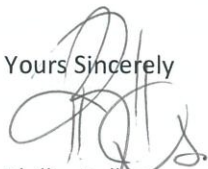

Under the definitions of essential services, RollsPack is classified as an essential business and we will continue to provide our customers with continuous service during this period. We have also confirmed continuity of supply with our key suppliers.

Since March, RollsPack has implemented a number of procedures to comply with government guidelines and to ensure the safety of our employees, customers and suppliers. These include maintaining personal and work hygiene, social distancing, temperature readings on arrival to site, segregation of on-site staff and wearing of PPE.

Our COVID SAFE Plan is constantly reviewed and updated to ensure adherence to the current government protocols and directions.

If you have any questions, or for further information, please contact your account manager or Phillip Rolls on 0418 328 835 or prolls@rollspack.com.au

Yours Sincerely

Phillip Rolls
